"Coyote"

Starring Brian Peterson, Brett Spackman, Carley Adams, Marina Valle, and David C. Thompson
Produced by Chris Wyatt & Devin Colvin • Directed by Brian Peterson • Written by Brett Spackman & Brian Peterson

Fast-paced action thriller spiced with strong characters and biting satire. After easily smuggling their deported friend across the Mexican border, Steve (Peterson) and J (Spackman) start the "kindler, gentler people smuggling" business. At first it seems like any other startup business, but there's a price to pay for stepping over the line.
